Restoring true devotion to Mary, Mother of The Divine Physician

Normally, pilgrims journey through majestic Adirondack forests sanctified by the blood of martyrs. This season, again, pilgrims saunter through rural Pennsylvania, to venerate Our Lady of Guadalupe at her national shrine in Allentown.

But everything else remains the same. **Traditional Roman Liturgy** every day. Confession, counsel and teaching from priests of solid faith. Public reparation. Fellowship & fun. Shuttles & TLC for the weary.

Something for everybody: youths, students, seniors. *Family-friendly, kids love it,
