

In the footsteps of the Martyrs!

Our Blessed Lady is the dispenser of all the favors
which the goodness of God grants to the sons of Adam. – St. Philip Neri

What is the Pilgrimage for Restoration?

In its third decade, the 27th annual pilgrimage is a spiritual journey of the faithful to the place where Ss. Isaac Jogues, René Goupil, Jean de la Lande and heroic convert-natives of *New France* were martyred now 380 years ago. It is conducted in public honor of Christ Our King, for the restoration by grace of new Christendom, and in reparation for sins against the Immaculate Heart of Mary.

Invoking the intercession of America's saints and martyrs, pilgrims desire that Catholic Faith *restore* every dimension of our lives: hearts, families, workplaces, parishes, neighborhoods, cities, dioceses, the American nations.

The pilgrimage is an exercise of penance and prayer, of contradiction and restoration, having both a personal & social character. Modeled on the annual *Pentecost Pilgrimage* to Notre-Dame de Chartres, France, we embrace the traditional doctrine & practice of Holy Church, with all its demands.

A special intention of the pilgrimage is the restoration of the Catholic family, civil society and the specifically *Roman* liturgical & spiritual inheritance. We hope thereby to show our attachment to the Church's tradition – East & West – and the riches it contains: not with an intention of reverting to some by-gone era, but rather of drawing benefits from the ancient sources and putting them to work in the world today.
