Theme of Pilgrimage 2024

Restoring True Devotion to Mary, Mother of Hope
“Woman, behold thy son.” *Jn. xix:26*

But what will they be like, these servants, these slaves, these children of Mary? They will be ministers of the Lord who, like a flaming fire, will enkindle everywhere the fires of divine love. They will become, in Mary's powerful hands, like sharp arrows, with which she will transfix her enemies. They will be as the children of Levi, thoroughly purified by the fire of great tribulations and closely joined to God. They will carry the gold of love in their heart, the frankincense of prayer in their mind and the myrrh of mortification in their body. They will bring to the poor and lowly everywhere the sweet fragrance of Jesus, but they will bring the odour of death to the great, the rich and the proud of this world.

St. Louis De Montfort, *True Devotion to Mary* I, ch. 1, art. 4., nos. 56-58

Prayer during the Pilgrimage

Pilgrims of all ages walk in ‘brigades’ (groups of 25 to 40), under a patron saint. Brigades are formed by laymen who sing hymns, recite the holy Rosary and other prayers, and assist chaplains to direct meditations. Pilgrims live according to the mandate of Our Lord & the fellowship of the Holy Ghost – friendship and prayer sustaining each on his spiritual way.

Clerics & religious lead the pilgrims along the way, priests hear confessions, give private spiritual counsel, and teach.

Liturgical rites are celebrated in the traditional Roman usage, the 1962 missal – the *forma extraordinaria*. Glorious instrument of prayer, the traditional Roman rites stress the universal character of the Church. Holy Mass is offered in a solemn manner each day, most especially Sunday.

For more information, see the pilgrimage blog at <http://pilgrimage-for-restoration.org/blog/>.

Schedule in overview

The pilgrimage offers a few ways to participate.

Friday – Sunday September 27-29

From the Lake of the Blessed Sacrament (aka Lake George, NY) to the Martyrs' Shrine, Auriesville.

Pilgrims journey 62 miles in three days through the Adirondacks, camping each night, meeting up with newcomer pilgrims Sunday at lunch for continuation to shrine.

Traditional Roman Mass, confessions, fellowship – every day.

Transportation & TLC provided throughout for weary pilgrims.

Walking daily two weeks prior to event, 3-5 miles, recommended.

(Though permissible, pilgrims electing to arrive Friday or Saturday evening at camp must arrange all their own transportation, etc.)

Sunday, September 29

New-arrivals Sunday join the column in the field at lunch, to [walk the last leg](#) to the Shrine of Our Lady of Martyrs, Auriesville.

Or, join the ‘stroller brigade’ to walk the last couple miles to [Ft. Hunter](#) and back to the Shrine along the Mohawk River on the rail-trail.

Holy Mass 3:15 P.M. crowns Pilgrimage in the Coliseum church, Auriesville.

Pilgrims wear hats, sturdy walking shoes & modest clothing, remembering *i.a.* they attend Holy Mass; no shorts, sleeveless shirts, tank-tops, or bare midriffs. They should drink plenty of water and make provisions for inclement weather. They craft & carry holy images, banners & flags – but no signs as in demonstration.

Something for everybody

Children & parents – seniors, too – may join *for more than one day* in ‘[modified pilgrimage](#)’: praying, singing, playing, learning catechism – in camp. They also walk short distances with other pilgrims en route, and join in the final events Sunday.

Pilgrims must carry bottled water (provided by organizers), and prepare for their own basic first-aid: ‘blister-kits’, aspirin, etc.

Those pilgrims not reasonably expected to meet the demands of long-distance walking and penitential vigils & camping join the ‘modified pilgrimage’.
